

Junior Aircraft Maintenance Technician (AP Mechanic) - King Air Specialist

Advantage Aircraft Services Inc.

Position: Junior Aircraft Maintenance Technician (King Air Specialist)

About Us:

Advantage Aircraft Services Inc. is a distinguished Part 145 Repair Station dedicated to maintaining superior standards of safety and compliance in the aviation industry.

Position Summary:

As a Junior Aircraft Maintenance Technician specializing in King Air aircraft, you will assist in maintenance, repair, and inspection activities on our King Air fleet. This role provides an opportunity to develop your skills and expertise under the guidance of experienced technicians.

Key Responsibilities:

Technical Support:

Assist in maintaining, troubleshooting, and repairing King Air aircraft.

Support scheduled and unscheduled maintenance tasks.

Assistance and Learning:

Learn from experienced technicians to enhance your knowledge and skills.

Participate in maintenance activities to gain hands-on experience.

Compliance and Documentation:

Ensure maintenance activities comply with FAA regulations and company procedures.

Assist in maintaining accurate maintenance documentation.

Quality Assurance:

Support the implementation of quality assurance measures.

Assist in inspections and audits to uphold compliance standards.

Communication:

Collaborate with team members to minimize aircraft downtime.

Provide updates on maintenance progress to supervisors.

Training and Development:

Take advantage of opportunities for professional development and skill enhancement.

Seek guidance from senior technicians to improve your proficiency.

Qualifications:

2-5 years of experience in aircraft maintenance.

Knowledge of King Air aircraft is preferred.

Familiarity with FAA regulations and industry standards.

Strong attention to detail and willingness to learn.

Excellent communication and teamwork skills.

Benefits:

Competitive compensation package.

Health, dental, and vision insurance.

Opportunities for career advancement and further training.

Join Our Team:

If you're a Junior Aircraft Maintenance Technician with 2-5 years of experience, interested in King Air aircraft, and eager to grow your skills, apply now to become a valuable member of Advantage's maintenance team.
